Scholarships for education, research and work in Europe

The Erasmus Mundus Europe Asia (EMEA) Scholarship Programme offers scholarships for academics, staff and students in Bangladesh, China, Malaysia, Nepal, Pakistan and Thailand.

Students, teachers, researchers and staff will have the opportunity to study, teach or work at one of nine prestigious universities in Europe.

The scholarship covers travel costs, insurance, tuition fee and living expenses.

Explore your possibilities!

LUND UNIVERSITY

Fully funded scholarships to Europe

for students, researchers & staff

With the support of the Erasmus Mundus Programme of the European Union

Study, work or do research in Europe - Fully funded scholarships

What is EMEA?

Erasmus Mundus Europe Asia (EMEA) is a scholarship programme designed to fund academic mobility of students and staff from Bangladesh, China, Malaysia, Nepal, Pakistan and Thailand to Europe. The programme is part of a larger EU-programme (Erasmus Mundus Action 2) with the aim to promote institutional cooperation and mobility activities between Europe and other parts of the world.

Fields of study

You can apply for a variety of fields of study at the nine European partner universities. For the complete list of available courses/programmes and positions, visit <http://www.lu.se/emea>.

Prioritised fields of study within this project are:

- Environmental issues
- Social welfare
- Innovation/ Entrepreneurship
- International law/ Human rights
- Public health

Who can apply?

The EMEA scholarships are open for mobility for nationals from Bangladesh, China, Malaysia, Nepal, Pakistan and Thailand to the EU. Applicants must have finished at least one year of study and must belong to one of the *target groups*.

Target group 1

Nationals of Bangladesh, China, Malaysia, Nepal, Pakistan and Thailand registered at one of the Asian universities in the EMEA partnership.

Scholarships are available for academic/administrative staff and students/researchers on undergraduate, master, doctoral and post-doctoral levels.

Target group 2

Nationals of Bangladesh, China, Malaysia, Nepal, Pakistan and Thailand registered at a higher education institution that is not included in the EMEA partnership, or having obtained a university degree or equivalent at a higher education institution in one of these countries.

Scholarships are available for students/researchers on master, doctoral and staff levels. For doctoral level, there are only scholarships available for exchange studies, not for a full degree.

Target group 3

Nationals of Bangladesh, China, Malaysia, Nepal, Pakistan and Thailand who are in particularly vulnerable situations, for social or political reasons.

Scholarships are available for students on undergraduate and master levels.

How long is the duration of the scholarship?

- | | |
|------------------|------------------------|
| • Undergraduate | 1-2 academic semesters |
| • Master | 1-4 academic semesters |
| • Doctorate | 1-6 academic semesters |
| • Post-doctorate | 6-9 months |
| • Staff | 1 month |

How and when do I apply?

The on-line application can be accessed via the project website. Read more about application procedures and requirements on:
